

## Information about AkioAir and Nophi

### Introduction

This doc is made in no way to harm, dox or hurt the minor “Nophi” in question. This doc is just to gather and collect evidence. It will go over everything from, when her and her genmates were announced, when they made the announcement of her being a minor and then going into her past lives and evidence from other members. Links will be included. This Google Doc may be taken down at any time if I feel like it is being used in a hurtful or harmful way or if I am threatened with legal action. (lol)

### Nophi and S2 Announced

Between August 21st-27th 2023, AkioAir announced their second generation through posting silhouettes, a small text (that apparently the talents got to choose and was approved by management) and some info about these talents. This is what Nophi’s was:

## AkioAIR Announcement about Nophi being a minor

On September 5th, at 11:53am PST they posted their announcement:

### NOTICE

At AkioAIR, we are dedicated to facilitating opportunities for individuals to pursue their dreams and career paths under the most favorable conditions, leveraging their talents, and implementing appropriate measures to protect them. We wish to use this communication to inform our prospective audience of our unwavering commitment to enhancing transparency and ensuring the protection of minors, including both our talents and viewers.

With this statement, we wish to inform you of our strict prohibition on the creation or dissemination of explicit content or fan art related to Nophillia Amélie De Montclair (Nophi), as she is identified as a minor in the majority of jurisdictions worldwide.

Our decision to include Nophi as part of our talent roster arises from her prior involvement in the performing arts within her previous career, coupled with her fervent pursuit of a career akin to acting, renders it incumbent upon us to assert that refusing an opportunity based solely on age constitutes an unduly harsh, inequitable, and unjust decision.

Our team has conducted a comprehensive evaluation of Nophi's talents, and this assessment has been further reviewed in consultation with her parents and relevant personals. We have unanimously agreed that Nophi possesses remarkable abilities that render her eminently suitable for a career in the performing arts. With the full support and consent of her parents, we firmly believe that this decision is in her best interest, affording her the opportunity to learn and gain valuable experience as an actress should she choose to continue on this career path.

We sincerely hope that you appreciate our unwavering commitment to helping individuals fulfill their dreams while ensuring the utmost protection for Nophi in her journey.

Thank you for your understanding and support.

After this announcement, they responded to one comment then went silent the rest of the day.

Obviously, there was a lot of backlash, and due to this a lot of people did digging into her past life (lives) and a lot was found.

### Nophi's Age and Past Lives

Nophi's past life origins date back as early as January 4th, 2022 when she made her first post as talent "Valera Kitsu" under the talent agency, MysteriaLive doing a model reveal. February 2nd, 2022 a Google Doc was released by Valera Kitsu and other talent under MysteriaLive.

[Valera Kitsu Twitter](#)

Google Doc here: <https://t.co/lupcu7wHxS>

Points about Valera Kitsu directly from the Google Doc:

"Shel, or "Nyantails", the CEO of MysteriaLive, has a history of predatory behavior that involves children. He hired multiple minors to act out sexualized roles. One of those minors (14 when she auditioned, currently 15) was hired to be his daughter, while the other was chosen to be 'his daughter's friend' (age 17). He forced his 'daughter' into erotic roleplay and incorporated her into his self insert lore." ([Link to Screenshots](#))

- "The character of Valera Kitsu is played by a minor, Shel said that Valera Kitsu's actress was not allowed to tell anyone (including her genmates), or he would fire her because he doesn't want people to think: "What is MysteriaLive doing hiring people this young?"
- She wasn't told until after the MysteriaLive New Years party that Valera Kitsu was supposed to be Shel and Velty Darling's daughter from the future when they are married - another extension of the self insert and downright creepy "lore" he had made for Generation 2.
- I was told to basically mislead everyone by trying to act older than I am. (When talking to staff, say "Professors" instead of "Teachers", etc.) It all felt so wrong considering the fan base consisted mostly of adults who most likely would feel uncomfortable/would have acted differently had they known that I was a minor. I understand wanting the fans to be kept in the dark about my personal information but it was odd that even my own genmates weren't allowed to know, given that some of them were casted to play more mature roles."

### Key Points

- ❖ Shel, or "Nyantails", the CEO of MysteriaLive, has a history of predatory behavior that involves children. He hired multiple minors to act out sexualized roles. One of those minors (14 when she auditioned, currently 15) was hired to be his daughter, while the other was chosen to be 'his daughter's friend' (age 17). He forced his ['daughter'](#) into erotic roleplay and incorporated her into his self insert lore.
- ❖ He pursued a romantic relationship with his then seventeen-year-old employee and appointed himself as her manager. ["I've always wanted a loli"](#)
- ❖ [Shel admitting MysteriaLive buys views](#)
- ❖ [Shel thinks there is nothing wrong with dating his talents](#), despite the clear power imbalance

## Generation 2

### Valera Kitsu

- ❖ The character of Valera Kitsu is played by a minor, Shel said that Valera Kitsu's actress was not allowed to tell anyone (including her genmates), or he would **fire her** because he doesn't want people to think: "What is MysteriaLive doing hiring people this young?".
- ❖ She wasn't told until after the MysteriaLive New Years party that Valera Kitsu was supposed to be [Shel and Veltzy Darling's daughter from the future when they are married](#) - another extension of the self insert and downright creepy "lore" he had made for Generation 2.
- ❖ I was told to basically mislead everyone by trying to act older than I am. (When talking to staff, say "Professors" instead of "Teachers", etc.) It all felt so wrong considering the fan base consisted mostly of adults who most likely would feel uncomfortable/would have acted differently had they known that I was a minor. I understand wanting the fans to be kept in the dark about my personal information but it was odd that even my own genmates weren't allowed to know, given that some of them were casted to play more mature roles.

Auditions for MysteriaLive's second generation, which Valera Kitsu was in, opened on November 12th, 2021. Valera was 14 when she auditioned, then 15 when the doc was released. (Assuming her birthday is between Mid-November to Early January)

**2022 = 15**

**2023 = 16**

*She would assumed to be 16 MAX, but of course there has been claims she has lied about her age and her birthday (cannot find the source, will add soon)*

She then came back as a new agency VTuber in August 2022, as "Charlotte Kaneko" under the agency AuroraLiveVR (also known to be a very sketchy black company, lots of proof of this from previous talents.)

The way she talks / types is just like “Valera Kitsu” and “Charlotte Kaneko” and most recently “Nophi”

There is proof she is the same as Charlotte Kaneko as she has posted her face. I will not be sharing that proof in this doc due to not wanting to show off a minor’s face. It can be found on her accounts.

Her thumbnails are also very similar:

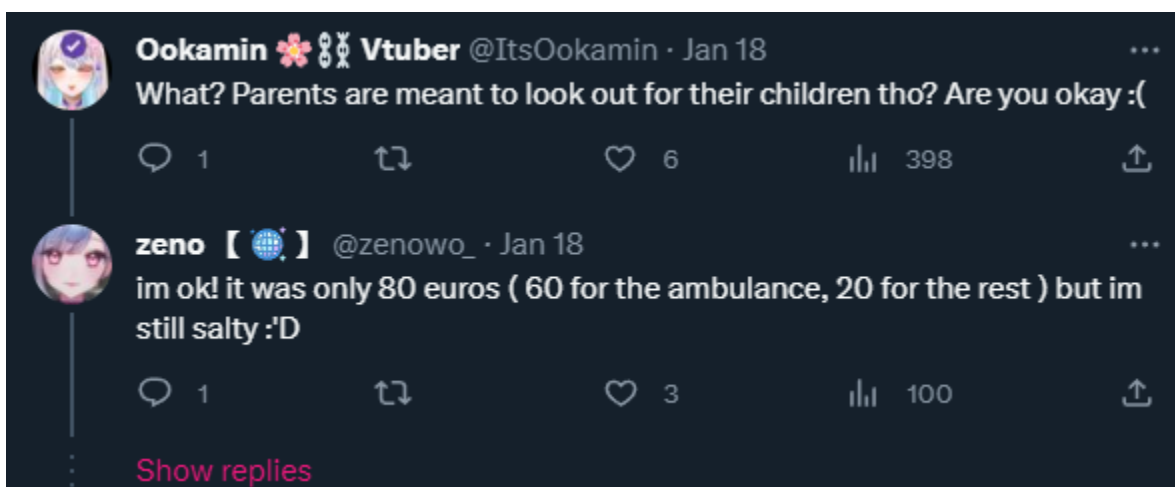

Of course, this is not solid proof by itself, since this is a very basic thumbnail style, but it adds onto my last point.

There are also videos of her singing on both accounts, which sound very similar.

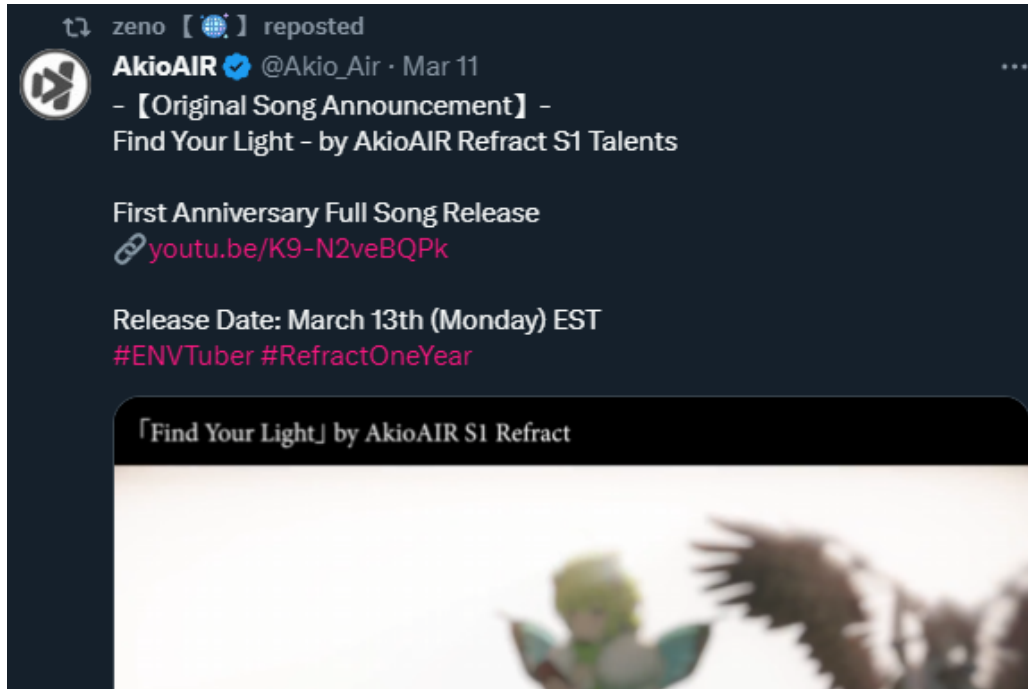

There are some concerning things she has said about her parents:

She also has retweeted a few of AkioAir's tweets:

Anyways don't support Akio. Jason does not know what he is doing and we've been delayed for months. Most of the girls feel groomed and nobody is planning on staying for long so if you don't support us it will be an easier escape since we don't keep accounts.

yes, AA auditions were done through a discord server where applicants could interact freely. while the first person to come forward about it paint it as something bad and unprofessional, others later came out and said that it wasnt as detrimental to the process as the first wanted it to be perceived

#### 4Channer's Claiming to Know Her

Of course, it is hard to 100% trust what people say without hard evidence, but many people know all of her past lives. Here is the first statement someone made about knowing her personally:

Dude

She was literally hired to be this other vtuber agency CEO's daughter and he apparently went on e-dates with her and involved her in multiple sexually charged conversations with him. She was 14 at the time and the CEO was apparently in his 30s

But this is just "acting" right? so it's okay?

I was part of the Mysteria server and the laburato guy was Valera's personal manager who was a 30+ guy so I can confirm it's the same girl guess she's been groomed all her life kek

Hi again Jason,

The biggest concerns are the grooming allegations and the fact that you have sexualized a minor on her Twitter account. She already has been sexually exploited by multiple other vtuber agency CEOs which is just another big red flag. Your Twitter notice stating that she is a minor and not to be sexualized is just an invitation for people to do so, and the fact that she also has a maro open and from what I've seen her DMs are open too just poses a whole other concern of other people attempting to groom her, knowing her age and history for being exploited. She is known to have very abusive parents, so the parent's consent and understanding of her vtubing activities are not an excuse to allow this to happen, and the fact that these same parents have not done anything in the past shows that they are incapable of handling the responsibility of caring for their child's safety.

Abusive parents goes back to her claiming her parents made her pay her hospital bills, and for letting her work for all of these companies.

☐ **Anonymous** 09/06/23(Wed)21:24:19 No.57951193 ▶ [>>57951250](#) [>>57951784](#) [>>57952024](#)

[>>57947797](#)

She apparently just turned 15 when that stuff went down and was hired at 14. The absolute oldest she could possibly be best case scenario is 16.

Still the fact that she was already groomed by older men multiple times before as a child and now is in an agency that is 18+ as a minor, working with a CEO that has had groomer allegations made against him is fucking weird.

☐ **Anonymous** 09/06/23(Wed)21:55:27 No.57952819 ▶

[>>57951996](#)

fucking Jason retard fuck, already 3 talents are nearing 24hours of not tweeting, I just feel bad for everyone else, including the child, because his retarded ass couldn't keep quiet about the fact he's a groomer  
FUCK WHAT A RETARD

Regarding the underage girl, the rrat seems to be that she is the Valera Kitsu, the girl who was groomed at MysteriaLive at the age of 14, she then moved on and joined another predatory microcorp called AuroraLiveVR where she was known as Charlotte Kaneko, before leaving and joining AkioAir. A few posts claiming to know her and making unfounded accusations like how she has abusive parents, and that she's been effectively groomed most of her teen years. Tragic, if there is truth to any of it.

## Final Thoughts

Her singing / voice, the way she talks and types, the way she edits (videos and memes) it all adds up. More info will be added to this thread as it comes out.
